9:00 (Serenity Prayer, Tradition or Concept, Introductions in room & on phone). Protocol-knowledge based decision: A way of framing the topic, to use long discussions to collaborate information so that all members have a chance to express opinions, thoughts and give all members open access to common information and ending the topic with synthesizing and summarization: dialogue before deliberation building understanding through sharing information, or by talking to each other to reason things out.

Quorum Check, Approval of Spring 2018 Minutes.

9:30 a.m. What is the Area World Service Committee (AWSC) page 68, 75, 137, 155-156, 157, 171- of the Service Manual?

Throughout the year, the Area World Service Committee is responsible for submitting questions that cannot be resolved at the district or Assembly level to the WSO. It also plans the Assembly agendas, prepares the Area budget, and studies the need for alternatives to these "World Service Handbook" suggestions and presents its findings to the Area Assembly.

At the last AWSC meeting we brainstormed ideas on how to capture time during our business meeting. Please try your best to adhere to these guidelines today as we have a lot of business to review.

Refrain from repeating what someone else has said  
Keep sharing's to the time allotted  
Be on time from breaks and lunch

Unanswered questions can be written on posted notes and placed on the poster board for either answering when we have time, or answers sent out in a separate email.
